How to Complete

1 Introduction

Section 1 provides a context for the Main Issues Report Do you have any comments in relation to this section?

Do you have any comments in relation to this section?:

2 Settlement Strategy

Question 1 New Housing Sites

Do you agree with our preferred housing sites? Are there any other sites that would be suitable for housing?:

Question 2 Housing Allowances Beyond 2032

Is there a need for us to identify further Housing Allowances or sites for the period beyond 2032?:

Question 3 Brownfield and other Opportunity Sites

Are there any further brownfield or other opportunity sites which would be suitable for redevelopment?:

Question 4 New Healthcare Facilities

Do you have any comments on these sites? Are there any other sites in these areas that we should be considering?:

B01/013 for Cordyce School should be a priority along with B01/11. Dyce needs a new healthcare facility and also a health and fitness center would be better for the area over any more houses.

3 Aberdeen City Centre and the Network of Centres

Question 5 City Centre Boundary

Do you agree the Local Development Plan should modify its City Centre boundary to match the City Centre boundary shown in the City Centre Masterplan?:

Question 6 City Centre Masterplan Intervention Areas

Do you agree that the City Centre Masterplan intervention areas should be identified as opportunity sites within the Local Development Plan?:

Question 7 City Centre Retail Core

Should the retail core be reduced to focus on a more compact area of Union Street and the existing shopping centres?:

Question 8 Union Street Frontages

Should the Union Street Frontages percentages be reviewed? Do the current target percentages ensure there is a balance between a strong retail focus and allowing for other uses? What other uses should we allow on the retail core area of Union Street:

Question 9 Out of Town Retailing

Should we direct high footfall uses to existing centres including the City Centre? Should we consider new out of town retail parks? What would the impact of these be on Union Street and the City Centre, and Aberdeen's network of centres?:

Question 10 Commercial Leisure Uses

Should we continue to direct commercial leisure uses towards existing centres and the beach and leisure area?:

Question 11 City Centre Living

How can we encourage more people to live in the City Centre? Would a document outlining the principles which need to be applied in converting a building into residential use be helpful?:

MAIN ISSUE 1 Living in the City Centre

Should we include a policy in the Local Development Plan supporting residential development in the City Centre, including the conversion of upper and basement floors of premises to provide residential accommodation?:

Not Answered

Question 12 Residential Development in the City Centre

Are there any other locations within the City Centre where residential accommodation could be provided?:

MAIN ISSUE 2 A 24-Hour City

Should 24-hour activities in Aberdeen be supported and encouraged to grow, especially in the City Centre? Could this be achieved through policy?:

Not Answered

Question 13 Encouraging the Creative Arts

What can we do to support and encourage the creative sector to ensure a range of distinctive experiences so that Aberdeen City Centre is like no other place?:

Question 14 Proposals for Creative Arts

Are there other buildings or areas within Aberdeen that could accommodate the existing, and support an emerging creative sector for desk-based and studio-based artists?:

Question 15 Percent for Art

To ensure Aberdeen City Centre retains its distinctiveness, should developments with construction costs of £1 million or over be required to allocate at least 1% of construction costs for the inclusion of art projects in a publicly accessible/ visible place or places within the development?:

MAIN ISSUE 3 Support for Visitor Attractions

To support our existing visitor attractions should Aberdeen have a policy about protecting and growing visitor attractions?:

Not Answered

4 Quality Places

MAIN ISSUE 4 Minimum Internal Space Standards for New Residential Development

How can we ensure that new residential development delivers an adequate amount of internal floor space for future occupants?:

Not Answered

Question 16 External Space Standards

Do you think that the amenity spaces currently delivered are of a sufficient quality? Should we strive for a better quality/ quantity of private/ semi-private residential amenity space across the city and refuse planning permission to proposals which do not meet our high standards? What standards would you like to see set for new dwellings, flats, and conversions in respect of quality and quantity of external amenity space?:

Question 17 Natural Environment

Do you agree that the proposed list of policies for Natural Environment gives a clearer and more coherent structure than at present?:

Question 18 Food Growing

How can the Local Development Plan support the delivery of food growing projects in the City? Do you think food growing should be included in the next Plan by way of a new policy, or through existing policy and guidance?:
