How to Complete

2 Settlement Strategy

Question 1 New Housing Sites

Do you agree with our preferred housing sites? Are there any other sites that would be suitable for housing?:

I agree that the following should be deemed as undesirable in the plan for the Bridge of Don Ward:-

B2030 - Mundurno

B0209 - West Dubford

B0210 - Munduro

B0211 - Newton of Mundurno

B2013 - Shielhill North & South

B2014 - Shieldhill South

There are far too many houses in the Bridge of Don area as it is, the road, facilities, schools & transport could not cope with any more, the area the above planned proposals would take away the open area we need.

Question 2 Housing Allowances Beyond 2032

Is there a need for us to identify further Housing Allowances or sites for the period beyond 2032?:

For the Bridge of Don area there is no need for anymore housing, this suburb is more than big enough.

Question 3 Brownfield and other Opportunity Sites

Are there any further brownfield or other opportunity sites which would be suitable for redevelopment?:

Question 4 New Healthcare Facilities

Do you have any comments on these sites? Are there any other sites in these areas that we should be considering?:
