Question 1 New Housing Sites

Do you agree with our preferred housing sites? Are there any other sites that would be suitable for housing?:

I have been looking at the review on line, and agree with the decisions for the Bridge of Don , there are many bids submitted and I am glad to see very few are deemed Desirable. This area has too many houses, lets leave it as it is for now until the existing schemes are finished, then put in the roads, amenities, leave the green pieces alone, no one wants to live in a concrete jungle!

Question 2 Housing Allowances Beyond 2032

Is there a need for us to identify further Housing Allowances or sites for the period beyond 2032?:

Question 3 Brownfield and other Opportunity Sites

Are there any further brownfield or other opportunity sites which would be suitable for redevelopment?:

Question 4 New Healthcare Facilities

Do you have any comments on these sites? Are there any other sites in these areas that we should be considering?:
