My Response to the Main Issues Report

Development Bid Reference - B0944 - Inchgarth Road

I believe that the land at Inchgarth Road should be included in the Local Development Plan for the following reasons: -

I am in support of this proposed development as it will improve the look of the land which is currently overgrown and will provide accessible green space for the public.

The development includes additional services, such as a new GP practice, which will benefit the local community.

I also believe that the new road development will improve safety in the area.
