Development Bid Ref. B0944, Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan for the following reasons: I have lived and worked in the area for a long number of years. There are a number of good things about this planing application which I really like. I like that somebody is thinking of doing something for older people which is important to me. It looks like this will be a good piece of ground to build something special for them. It looks like it would have good views for everyone and nice sunny surrounding area. It is good also that the people will be able to get onto the railway line easy. The roads going in that direction are pretty difficult at times. The new road looks like it would be a good thing for everyone.
