Development Bid Ref. B0944, Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan for the following reasons:

The current road systems linking the North Deeside Road and Inchgarth Road are unsafe, have a negative impact on the overall traffic flow and cause a build-up of traffic on an otherwise fast-moving road (North Deeside Road). Getting into or out of Pitfodels Station Road and Westerton Road is hazardous. The roads are also dangerous for pedestrians because of the width of the vehicles and the bridges and the inadequate pavements. A new purpose-built road would improve safety for everyone. The unused, unkempt fields in question should be used and improved. The proposal of a Retirement Village, affordable housing and other facilities is unusual and something that I believe is needed.
