How to Complete

2 Settlement Strategy

Question 1 New Housing Sites

Do you agree with our preferred housing sites? Are there any other sites that would be suitable for housing?:

support the preferred sites
important to avoid distinct
communities coalescing
natural breaks and maintaining green spaces important
also important not to overwhelm existing / new communities
eg the new development at friarsfield cults which removed significant green space was allowed on basis that development on a higher level above the
development would not be appropriate and therefore your undesirable view on the desires of developers to ignore that policy is correct and must be maintained.

Question 2 Housing Allowances Beyond 2032

Is there a need for us to identify further Housing Allowances or sites for the period beyond 2032?:

Question 3 Brownfield and other Opportunity Sites

Are there any further brownfield or other opportunity sites which would be suitable for redevelopment?:

Question 4 New Healthcare Facilities

Do you have any comments on these sites? Are there any other sites in these areas that we should be considering?:
