My response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan.

I know there is a planning proposal submitted for this site.

I support the Bid for the same reason as I support the planning application - see below.

I feel that this development would provide a much needed resource for the community as well as using some underutilized land for a good cause. The provision of suitable accommodation for elderly people in that part of Aberdeen City is hugely lacking and the inclusion of an environmental/wildlife area is to be commended.
