Response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan for the following reasons.

I know there is a planning proposal submitted for this site.

I support the Bid for the same reason as I support the planning application - see below.

My view is that this development appears appropriate for this "fallow" area which I know well, as a long time resident of Cults. The improvement of road network- in terms of access between North Deeside Road and Inchgarth Road- currently problematic, limited to 2 narrow roads- is also welcome.

In addition, improved access to the superb and frankly under utilised facility of the old railway line can only be to the good.

Finally, I note the wildlife aspect of the proposal, which would be an excellent addition to amenities available for families in the area and wider community.
