My response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan.

I know there is a planning proposal submitted for this site.

I support the Bid for the same reason as I support the planning application - see below.

I wish to support this plan. There is a similar concept of housing for older people in Banchory and it is an excellent facility. Many older people wish to downsize and stay in their own area. The housing proposed in this plan is an ideal option with the necessary facilities onsite and accessible public transport. A large open space is retained and would certainly be an improvement on the existing state of the fields which are largely inaccessible to the public. This development would improve the area and more importantly, it would offer quality of life for many older people who would benefit from it.
