Main Issues Report - Response

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan.

I am writing in support of this bid/development. I think the new road will be great and the need for it is obvious, particularly from a safety perspective. But the need for purpose built accommodation for an ageing population, particularly in this area is also required. To have a range of housing options would be welcomed by the older people that I know, particularly with the range of facilities and parkland on-site. The site is a mess, of no use to anyone except a few dog-walkers.
