My response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan for the following reasons.

I know there is a planning proposal submitted for this site.

I support the Bid for the same reason as I support the planning application - see below.

I support the planning application for the retirement village. There is demand in the area for people who wish to downsize. It is a good idea for new amenities to be provided in the locality to be utilised by people in the retirement village and also others in the catchment area.
