Main Issues Report - Response

Development Bid Reference B0944 Inchgarth Road

The land at Inchgarth Road should be included in the Local Development Plan.

The land has lain fallow for many years, is in disrepair and has provided no benefit to the community. The opportunity to take the land into use to build retirement homes is an excellent idea and should be encouraged. The proposed provision of a new relief road would be an excellent improvement to the very poor standard of roads in the area.

The proposed use will provide much better access to the land and the Deeside Way.
