Response - Main Issues Report

Development Bid Reference â■■ B0944 â■■ Inchgarth Road

The bid to include the land at Inchgarth Road in the Local Development Plan should be accepted.

I know there is a planning proposal submitted for this site.

I support the Bid for the same reason as I support the planning application - see below.

As someone whose work takes me to this area very frequently I wish to comment on a road matter. The North Deeside Road is a busy commuter corridor in its own right but also is a main connecting point down to RGU, Sainsburys, B&Q, Asda, etc and onwards either to other areas such as Altens or heading out of the city. The roads currently getting used for this purpose are not at all suitable. The residents in and around Pitfodels Station Road, Westerton Road must be at the end of their tether.

I support the planning application west of Pitfodels Station Road which includes a new link road. I also like the idea that the area will be opened up to the public and a green open space will be provided to encourage a wildlife habitat.
