My response - Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road  
Please include the land at Inchgarth Road in the Local Development Plan.

I know there is a planning proposal submitted for this site.  
I support the Bid for the same reason as I support the planning application - see below.

It addresses issues specific to this area which suitably sit together in the design put forward.  
The new road is something everyone wants - not just local people but many Aberdonians who travel through these parts regularly. It will help with the congestion and dangerous road conditions faced at the moment.  
The provision of homes suitable for the elderly makes a change from the huge, family-type detached houses generally being put up in this area. There is a need for this and they should be more affordable.
