Development Bid Reference B0944 Inchgarth Road - response to the Main Issues Report

I wish to record my support for the land at Inchgarth Road being included in the Local Development Plan.

The unused derelict land on Inchgarth Road west of Pitfodels Roads should be approved for use.

The current proposal puts the land to good use by creating homes for the elderly, a new road and open space available to all. Benefits will be enjoyed by many. The safety improvements which the road will bring are very important. It will add a whole new element to the community as well as new amenities where they are not currently located.
