In response to the Main Issues Report and Development Bid Reference B0944 Inchgarth Road, I recommend this site to be included in the Local Development Plan.

The land is unused at present and in a very poor state. This has been the case of a very long time. It would be far better to rezone the land for housing and in particular, retirement housing.

There is poor access to this ground. Allowing it to be developed will mean a new road can be built which is badly needed in this area.
