Main Issues Report - Response

Development Bid Reference 0944 Inchgarth Road

I support the bid to include the land in the LDP.

The intended use is to be commended.

It seems to me with an aging population that this is exactly what is needed and particularly in this area. A lot of people want to downsize eventually but prefer to stay in the area they know. Walking access and parking are also important to them. More developments like this are going to be essential in the longer term.
