Main Issues Report - Response

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I am firmly in support of this Bid. I am familiar with the proposed development and consider:-

1. this is a much-needed facility in Aberdeen in general but more specifically in this area.
2. it is well designed and provides excellent facilities for those in their more senior years.
3. the overall plan shows a design which will improve the appearance of this area of land.
4. there is good open areas and easy access to roads and walkways which improves quality of life for the residents.
5. it is particularly pleasing to see fairly generous areas set aside which will encourage local wildlife
