My response to the Main Issues Report

Development Bid Reference â■■ B0944 â■■ Inchgarth Road

I agree that the land at Inchgarth Road should be included in the Local Development Plan as I am supportive of the intended development on the site.

The provision of a variety of smallish homes specifically designed for seniors as well as providing supporting amenities all in one site is quite a unique approach. This is a great spot to locate such a development as it is close to existing amenities in Cults and at Garthdee all of which will be much more easily accessed by the proposed new road. Keeping the open space will enhance the retirement village and the area generally.
