My response to the Main Issues Report

Development Bid Reference – B0944 – Inchgarth Road

I support the Bid to include this site in the LDP.

The additional facilities proposed within the development, such as a pharmacy, café and doctor's surgery will provide additional facilities for existing residents within the area who currently have to travel to Cults, Mannofield and Seafield.

The distributor road will also provide potential for new bus routes to be explored with public transport links in the surrounding area and also to the AWPR.

With the proposed planting and wildlife area, the green space within the area will be retained and possibly strengthened.
