My response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I support the bid to have this area included in the Local Development Plan as it will mean that the proposed development will put the land to good use.

The development will provide much needed homes for people in the area to downsize. With the intended open/green space and the improved access to the Deeside Way it will create a lovely environment for its intended residents. The planned layout sits well on the site. The new link road will of course be very welcome by all who travel in or through the area.
