My response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

Please include this land in the Local Developmen Plan.

Having been brought up in Cults (my parents remain in the family home) and still living in the vicinity I am familiar with this piece of ground and a number of the issues which affect the area. It will good to see it put to good use as it has been left untouched and allowed to become totally overgrown over many years.

I am aware of homeowners in the area who would love to move to smaller homes more suited to the needs of older age without having to move away. The intended development is indeed welcome and the plans look sympathetic to the configuration of the land.

I am also pleased to read about the improved access to the Deeside Way and the open green space.

Everyone will be delighted with the provision of a new, safer, link road.
