My response to the Main Issues Report

Development Bid Reference 0944 Inchgarth Road

I grew up in Westerton Road and my family still stays there. I wish to support the bid to include this site in the Local Development Plan as the benefit to the well being of neighbours on this road and others nearby from the new road proposed in the development will be tremendous. I think the retirement village is a deserving use of this land which has been left unattended for years. The improved access to the Deeside Way and the creation of the green open space is also desirable.
