Main Issues Report - response

Development Bid Reference â■■ B0944 â■■ Inchgarth Road

I support the bid to have this land included in the local development plan. Its proposed use will provide solutions to existing issues/needs.

It is known that the number of Scots over 65 is increasing exponentially so there will be a desperate need for appropriate housing going forward yet currently there is no real drive to plan to meet this requirement. Accordingly this proposal breaks new ground by providing a range of these types of homes and levels of care as well as facilities associated with this group of residents. Not only does it go some way to addressing this issue, it gives a solution to the situation with the roads locally which are overwhelmed by the volume of use.
