Main Issues Report - Response

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I fully support this request for inclusion in the LDP.

Demographical indicators all point to a huge increase in our elderly population. We should be building much more suitable retirement accommodation now. This plan is a very innovative approach to the problem, giving people options according to their needs in an attractive environment. The icing on the cake in this development is the health and retail facilities which provide essential amenities for the local area as well as for the residents of this development. The new road is an obvious winner in this development. Who in their right mind who has used the minor roads between the North Deeside Road and Inchgarth Road would object to this? I congratulate the developer on a creative layout and design, in keeping with the area that benefits hugely residents and road users and which enhances the environment.
