# ABERDEEN 2035

◦ Cleaner Streets

• Street food

⊙ Underground parking.

⊙ Underground system / trams.

• City Centre more organised

⊙ Water activities on the beach, things to do

• Clothes shops on Union Street

• ~~More~~ Extend city, <sup>more</sup> houses at edges of city

• More trees, plants, flowers, gardens etc.

• More streets like Union Street

• more swimming pools, modern leisure centres

• Bon Accord Baths / Bon Accord Baths

• More / bigger ~~leisure~~ leisure centres

• Train links in city

• Easier transport

• Cleaner Buses

• Nicer bus drivers  
• more seats in buses

# 2035

Spread the buildings out more.

make different shops like international market

more cycle lanes

local business

make aberdeen a colourful city

More tourist attractions (festivals)

International Market.

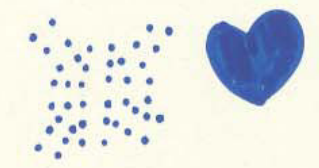

all the space will be occupied

plant more flowers/trees

Have a cycling/walking day. No cars.

Need more buses

Swap oil for renewable energy (wave, solar etc.)

# See In The Future

## 2035

Bigger Harbour so big ships, cruise ships etc, can come in!

We would like a tube, tram or subway

- More electric Cars
- More Gym's
- Less trees getting cut down
- Fix Pavements

- More parking
- More universities
- More Communal events
- More community centres
- More theatres
- Less pollution

Have mini union streets dotted around Aberdeen instead of one big Union Street.

- More shopping centres
- More local businesses
- More jobs
- Pedestrianised city centre
- Beach leisure centre = better facilities
- More zebra crossings

Cheap Petrol

Electric/Chargable  
Cars - Audis

• A big farmers market in Gable gate.

• More Wildlife centres.

• More Local Parks

More tourist attractions

More help for people on the streets & animals.  
and just  
anywhere!  
• More trees.
