LDP Main Issues Report 2019 Consultation Response in respect of:-

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I support the bid as the proposed development will address the congestion and dangerous road conditions faced at the moment on the small side roads and on the N. Deeside Road. It addresses housing issues common to many areas of the City, namely houses specially designed for older people and affordable homes. This empty derelict field would be the best possible site for the new link road and an ideal location for a Retirement Village.
