My response to the Main Issues Report  
Development Bid Reference 0944 Inchgarth Road

I support the bid for this land.

I was brought up in the Culter area and my family still live there. I am familiar with the piece of land to which this bid refers and also aware of the various issues in the area.

I think the proposed development is a good use of the land. The concept of a retirement village and various amenities is well thought out as is the site layout. The roads in the area are very poor and dangerous so it would be good if a new road was possible. The big improvement to the access to the Deeside Way will be great.
