My response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I support the bid for the following reasons :

Many people have lived in this area for most of their lives and would not be happy to move out of this area if they needed to move into retirement type housing.

It would also be good for the area to have access to another pharmacy and doctors surgery.

The area is currently not very pleasant to look at and not available for the public.

The roads in this area are not very good so the new road would be safer.
