Union Square's location

Look of Union street - needs to be cleaned up.

Derelect buildings.

New art gallery development is ugly.

Union Terrace Gardens should be done up

~~are~~ Buses are always late

Buses cost far too much, it's cheaper to go by car.

Pool with diving boards and decent flumes.

~~can't get~~ Difficult to get to Sports Village by bus.

Beach needs cleaning up.

Posh restaurant ~~needed~~ ^{needed} at the beach.

It'd be awesome to have a really great, big theme park with lots of big scary fun rides aimed at teenagers.

Aberdeen in 2035

①

- Recycling made easier
- In the UK, NOT independant
- Cleaner Aberdeen - beaches, roads, buildings, parks + pavements
- Safer - CCTV, less speeding cars,
- Potholes in roads need to be fixed
- NHS medical centre/hospital for people to go to in lunch breaks
- Better quality shops - Abercrombie! Not many clothes shops on ^{Union} Street etc.
- Rather than clearing new spaces, refurbish derelict buildings ^{Street}
- Large Supermarket on Union Street.
- Waitrose!
- In town sports facilities.
- New out of town settlements w/ regular bus routes instead of building in ~~the~~ the city.
- High street + public transport for new settlements.
- Lower bus prices
- Free parking in Aberdeen, parking prices are outrageous.
- If parking prices are going to be made so expensive make public transport cheaper, it is far too costly.
- Grit buckets
