Development Bid Reference â■■■ B0944 â■■■ Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan for the following reasons.

As a resident of nearby Ashfield Road, I am all too familiar with the problems of driving on the three side roads that connect Inchgarth Road and the North Deeside Road. They are too narrow for today's vehicles and there are problems at the top of two of these roads with vehicles trying to turn in from the main road which causes congestion on the North Deeside Road. Visibility at both ends of these roads is poor and it is difficult to see what's coming. Scrapes and accidents are inevitable. Putting a proper new road between the two main roads on this unused site seems obvious and overdue. The plan is better than most in that it seems to be catering for what people want and the site is not overcrowded, with open green space and access to the railway line.
