I strongly support the inclusion of Development Bid Reference B0944 Inchgarth Road in the local development plan as I strongly feel that this project would be good for the area. The development of a new road would ease the traffic immediately in front of our house where there is currently a 20 mile speed limit. It would also help the situation on Westerton Road where parked cars and often commercial vehicles are parked on an already narrow road. The proposed green space and properties I believe would also be an asset as the current state of the land is very much neglected and untidy and often used for fly tipping.
