I am writing in support of Bid Reference B0944 in respect of the land at Inchgarth Road.

I am a frequent user of the side road between the North Deeside Road and Inchgarth Road. It is widely acknowledged that these roads are not fit for purpose and can be dangerous. I therefore fully support the creation of a new road on this site which is in a bad state and need of a development such as this.

I recognise the need for smaller affordable homes and homes specifically built for the elderly, particularly in this area. I believe that a Retirement Village would be very sought after and with the wildlife corridor and retained green space would fit the character of the area.
