In response to the Main Issues Report, I want to express support for Development Bid Reference B0944 Inchgarth Road because the existing roads in the area, Westerton & Pitfodells Station Road, are substandard and a new road constructed to appropriate standards would be a big improvement for the area. Both existing roads are very narrow; Pitfodells Station Road is unsuitable and dangerous for pedestrians and access to both can be difficult from North Deeside Road, creating frequent tailbacks.
