In response to the Main Issues Report, I wish to express my support for the inclusion of Development Bid Reference B0944 Inchgarth Road in the Local Development Plan. I travel frequently on the small side roads in this area and they are clearly dangerous and not suitable for the increasing traffic flows. The proposed road included in this bid would replace these roads and solve the problem to the benefit of everyone using them. The site is an unruly mess and would be enhanced by development. There is a shortage of purpose built properties such as these for the elderly and a retirement village with the amenities suggested would be a huge asset to the local community.
