Development Bid Reference â■■ B0944 â■■ Inchgarth Road

I have lived in Cults and currently work in the area as I have done for approximately 20 years. The link roads from the North Deeside Road to Inchgarth Road are appalling and very dangerous and the area would benefit greatly from an improved road network.

I am also aware that many people who have stayed in the area would like to stay there but in an environment which is more amenable to an older generation. According I support the bid to include this site in the Local Development Plan and hope that these needs will be addressed in its development.
