My response to the Main Issues Report in respect of Bid Reference B0944 at ■■■ Inchgarth Road.

Please record my support for this bid.

Having recently had to provide care for my mother and eventually for her own safety put her in a care home. This development will offer a facility I feel will enhance the quality of life for the residence. Having accommodation on one floor or with lift access removes the dangers of stairs.

With a pharmacy, doctors and café on the land will help keep the residents independence. It is close to the bus stop for visits in or out of town. Also having wheelchair access to the Deeside way will allow family to take their relative/friends for safe easy scenic walks. Moving my Mum from her house into a care home was not pleasant or easy, having a care home on the land will I feel make the move a lot easier if it is ever required.
