LOCAL DEVELOPMENT PLAN

Development Bid Reference 0944 Inchgarth Road

I request that the land at Inchgarth Road should be included in the Local Development Plan for the following reasons.

The addition of more public space is desirable and this is to be part of the proposed development at Inchgarth Road.

The roads to the south of North Deeside Road in Cults are very poor, dangerous and over-used. The proposed development at Inchgarth Road includes a new road which will address these issues.

Many of the properties in the area are large homes and it is currently difficult for individuals to downsize and find a property which is to their liking and at the same time staying within their community. The new retirement village would appear to be a real opportunity.
