Response to the Main Issues Report - Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

Please record my support for this development bid.

The thinking behind the intended development for this land is progressive on a number of levels; the provision of first-class housing/care for the elderly plus all the required amenities. In addition, the proposed development would not impinge on the general public's need for access. It helps address the need for proper housing and care facilities, particularly for those in the later stages of their lives who already live in the area and who would like to downsize but still remain in the vicinity
