Main Issues Report - Response

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

Submission in support of bid B0944

The site for the development is extremely untidy and badly needs something done to it.

It has been like this for many years.

The idea of building a retirement village along with various amenities is a good one. There will be new and better access to the Deeside Way from a number of aspects.

The proposed new road to modern standards will be a massive step forward compared to what road users like myself currently have to endure in this area. I am a regular driver in the area and know first hand the realities and difficulties faced.
