LDP PIR 2019 Consultation

B0944 â■■■ Inchgarth Road - Development Bid

I support this bid for inclusion in the LDP.

The introduction of a new, safer link road between North Deeside Road and Inchgarth

Road moving away from the not fit for purpose Pitfodells Station Road would be beneficial for both motor vehicles and pedestrians. A wider road with a roundabout will provide a greater flow of traffic, whilst providing a safer route for pedestrians as currently there is no pavement on Pitfodells Station Road.

I also welcome the proposal of a new care home and retirement housing in the community as I fully expect my parents and myself to want to continue to stay within the area for the foreseeable future.
