Local Development Plan Main Issues Report 2019 Consultation  
Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

The following are all desirable attributes of the proposed development and reasons why this bid to include the land in the local development plan should be accepted.

1. It offers the opportunity to have a suitable road, designed to modern standards, to connect from North Deeside Road to Inchgarth Road. This will reduce the need for people to use the very narrow and unsafe small roads.
2. It offers the opportunity for new suitable housing for the elderly in our area.
3. It offers the opportunity for a new public green open space which will enhance the environment and be enjoyed by all.
4. It offers the opportunity for easier access to the Deeside Way.
