Local Development Plan Main Issues Report - Response
Development Bid Reference â■■ B0944 â■■ Inchgarth Road

I support the land at Inchgarth Road being included in the Local Development Plan.

This site should be made available for the benefit of the community. In particular the need to meet a housing requirement for those wanting to downsize in their later years. The option of a new road is a key benefit as the current road links are not safe and not fit for purpose. Being able to access a new park area/green space is also welcome.
