Main Issues Report - RESPONSE

Development Bid Reference – B0944 – Inchgarth Road

I support this bid for inclusion in the local development plan.

This development offers many benefits to the area and beyond.

The traffic aspect is important in that a new road will reduce congestion and improve safety for all. The existing roads are very difficult to use and some don't have pavements.

I think the housing specifically for the elderly is much needed as well as the facilities to be included.
