Local Development Plan

Development Bid Reference – B0944 – Inchgarth Road

I record my support of the above bid.

The proposed development includes a much-needed new road which will greatly enhance the infrastructure in the area. It will provide a much safer route between North Deeside Road and Inchgarth Road compared to Pitfodels Station Road, Westerton Road and St Devenick's Place. The existing roads are dangerous and not fit for purpose. Improved public transport links which can be considered in conjunction with the new road are also highly desirable.

The new road will remove traffic from Pitfodels Station Road, Westerton Road and St Devenick's Place to the benefit of those living on these roads. It will also remove traffic from Deevie Road South and Ashfield Road to the benefit the residents, thereby increasing the safety aspect of these roads for pedestrians and cyclists.

The land is currently in private ownership and not accessible. The proposed development for retirement housing in the area is an extremely good use of land as is the opportunity to access it as a public space.
