Response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I support the bid to include this land in the local development plan

The development of this land will add benefit to the local economy in that the new improved road will aid easy access to the South of Cults.

Along with this there are many elderly people who live in the Cults area who would like to remain in the area but there is no suitable housing for them. Housing suitable for this age group to downsize into would be very welcome. The proposed housing development between North Deeside Road and Inchgarth Road provides for this need.

This development opportunity will also Assist in providing very much approved safety for walkers and joggers
