Local Development Plan Main Issues Report 2019 Consultation
Bid Reference 0944 Inchgarth Road

I support the bid for inclusion in the LDP of this land.

The roads in east Cults are sub-standard for the modern world. I work in the area and therefore am using the roads on an on-going basis. They are too narrow, not well lit, and do not even have pavements in some parts. They are dangerous. The visibility from the junctions and across the bridges is not something that would be acceptable in any modern roads set-up. The opportunity should be grasped with both hands if it is available to build a new road in the area which will be to the long term benefit of the community. I am aware of the possibility of a retirement village in the area and this has to be a good use of unused land.
