Response to the Main Issues Report

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I wish to lend my support for this bid.

Although I do not live in Cults I have been advised by friends who about the proposed development for retired/old people residential accommodation. My son and his family live in kingwells and their children go to RGU nursery so we use the road between North Deeside and Inchgarth roads. The junctions at each end are very dangerous. The proposals include a new wide road with pavements, cycle tracks, disabled access to Deeside railway land. The proposed housing also meets a need for the elderly and this would be a great location particularly with the open space and access to railway line.
