MY SUPPORT FOR MAIN ISSUES REPORT - BID REFERENCE B0944 - INCHGARTH ROAD

I think that the development of this site would serve the community very well as currently it is just rough wasteland and is a bit of a mess. The proposed design is very appealing and enhances the area. I think elderly people would prefer the option of a retirement village as a much better option than managed flats and the additional facilities would also be very good for the local area. The planned new road would also help as the small roads between the North Deeside Road and Inchgarth road are dangerous.
